Request Guidelines ▲

Request Approvals

- All requests must be submitted at least **three (3) to five (5) working days** prior to the required date.
- This lead time allows sufficient review, revisions, and endorsement.

Service Requests

- All service requests must be submitted at least **seven (7) to ten (10) working days** prior to the required date.
- This gives the team ample time to assess the request, assign resources, and schedule accordingly.
- Requests involving large-scale projects or specialized requirements may require a longer lead time with a minimum of **fourteen (14) working days**, subject to assessment by the concerned unit/s and is case-to-case basis.
